Mat weaving industry — Start in Mysore Jail

From,

The D.G. of Prisons.

Letter No 947-3 dated 3rd February 1941
requesting the accommodation Staff, approval
of the action taken by him in having permitted
the Superintendent Mysore Jail to start ~~experimental~~
Mat weaving industry in the jail

1) Submitted: In the circumstances explained by the
D.G., the introduction of the Mat weaving
industry appears ~~to be necessary~~ desirable.
Submitted for orders with a draft G.O

9/2/41 2) A report from the D.G. of Prisons
about the starting of industries in the
jail is long overdue. Please put up that
immediately.

9/2/41 3) The file of papers referred to is ~~enclosed~~ placed
below. The proposals of the D.G. of prisons
in regard to the new industries to be
started in jails are still due (vide P.U.)
and Mr. K in the file put up). The D.G.
has stated that the mat-weaving industry
will provide employment for a few of
the convicts. What the number of such convicts
is, has not been stated. This industry has not
been recommended specially by the Prisons
Committee. The proposal of the D.G. may perhaps be

No. 947-3.
Encls.

OFFICE OF the Inspector-General of Prisons in Mysore, Bangalore

Date 1st February 1944.
3rd. Pris 40-43-1

To

The Secretary to the Government of His Highness the Maharaja of Mysore, Law Department. Bangalore.

Sir,

I have the honour to state that at present three industries viz., Cotton weaving, Carpentry and Smithy are being carried on in the Jail at Mysore. The prison population of this Jail ranges normally between 250 and 350. On an average, about 150 convicts will be available for hard labour. Some of these convicts are employed on the industries and some, on Gardening and on the internal and domestic management of the Jail. A few of the convicts are left unemployed. To provide work for these convicts, I have arranged to start a mat-weaving industry in the Jail. The initial non-recurring expenditure towards the equipment required for the industry will be about Rs. 200/- and the recurring expenditure will be about Rs. 85/- per annum. From 12 to 15 convicts may be employed on this industry and the cost of the annual output is estimated at Rs. 1000/-. The mat-weaving industry is a common Village industry and provides an easy course of training for prisoners. After discharge, the prisoners may find employment in some of the mat-weaving centres or start the industry independently as the initial out-lay required is within the reach of an ordinary Citizen. Under rule 374 of the Mysore Jail Manual, I have permitted the Superintendent of the Jail to start a mat-weaving industry in the Jail and I request that the action taken may kindly be approved

I have the honour to be,
Sir,
Your most obedient servant,

Inspector-General of Prisons.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS

THE MAHARAJA OF MYSORE

Read:-

Letter No.947-3 dated 3rd February 1944 from the Inspector General of Prisons requesting in the circumstances stated, approval of Government to the action taken by him in having permitted the Superintendent, Mysore Jail to start Mat Weaving industry in the said Jail so that the prisoners after discharge from the Jail may find employment in some of the mat weaving centres or start the industry independently as the initial out-lay required is within the reach of an ordinary man.

Order No.P. 5575-76 /Pris.40-43-2

Dated, Bangalore, the, 7th March 1944.

Approved. It is noted that the initial non-recurring expenditure involved in this behalf for equipment will be about Rupees Two Hundred (200/-) and the recurring expenditure will be about Rupees Eighty Five (85/-) per annum and that the cost of annual output will be about Rupees One Thousand (1000/-).

By Order,

Secretary to Government,
Law Department.

To

The Inspector General of Prisons in Mysore.

The Comptroller to Government.
